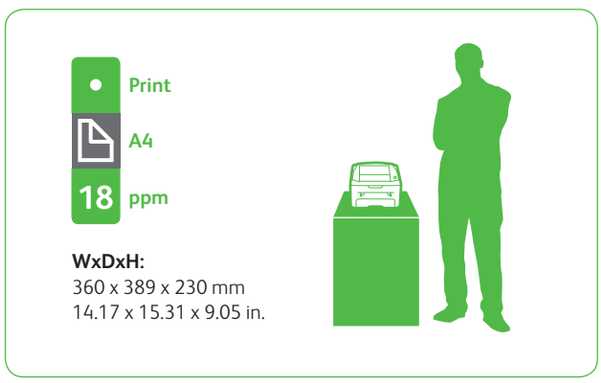
Xerox® Phaser® 3140
Black and White Laser Printer
Print efficiency personalised

Has your printing workload reached the point where you need a highly productive laser printer right on your desktop? Compact and capable, the Xerox Phaser 3140 delivers all-purpose printing at a very affordable price.



Empower yourself

- Print speeds of up to 18 ppm (A4) and up to 19 ppm (letter) — plus a fast first-page-out time — keep up with your busy pace.
- Crisp 600 x 600 dpi (1200 x 600 enhanced image quality) for professional results.
- Tackle more projects with a range of features including watermark*, overlays*, poster and booklet (manual) modes*.
- Built to last with a 10,000 pages per month duty cycle.

Surprisingly low cost

- With such great features, you'll wonder how we made a laser printer so affordable.
- Power save mode and ENERGY STAR® qualification benefit both the environment and your bottom line.
- Save paper by using manual two-sided printing* feature and the ability to print multiple pages on a single sheet of paper (N-up).
- Long-lasting 2,500-page, high-capacity toner cartridge; Toner Saver mode extends consumables even further. Job Cancel feature lets you avoid printing unwanted pages.

Just the right fit

- Compact design sits comfortably on your desktop or small workspace.
- Minimal acoustic noise levels, even while printing.
- Print in various environments including Windows, Linux and Macintosh with USB connection.
- Generous paper capacity of 250 sheets means fewer interruptions to reload paper.
- The multipurpose tray allows single-sheet feeding of special sizes and types of media, like envelopes, transparencies and postcards.
- Enclosed paper tray keeps the printer's footprint small, and paper clean.

* Windows only

Phaser® 3140

Black and White Laser Printer

	Phaser® 3140
